Schedule

- **Dates:** September 15 to June 13
- **Time:** 9:00 AM to 2:00 PM
- **Monday through Friday:** A balanced routine of free play and academic instruction
- Fun field trips and guest teachers, including:
 - **Archery**
 - **BB Guns**
 - **Snowboarding/Skiing**
 - **Rock Climbing**
 - **Swimming**
 - **Hiking**
 - **Music**
 - **Fine Art**
 - **And more!**

Our Learning Environment

- **Experiential education:** Indoor and outdoor learning in a farm and forest, immersive setting.
- **Explore the outdoors:** Hands-on activities like working with animals and gardening.
- **Academic growth:** Develop strong reading and writing skills.
- **Social and emotional growth:** Build meaningful relationships in a small supportive environment.

Curriculum & Philosophy

We focus on balancing academics with outdoor exploration to help children grow.

- **Small class sizes:** Personalized attention with a consistent group of peers.
- **Experienced teachers:** Providing guidance and support for each child's growth.
- **Literacy & Math:** Using programs like The Good and Beautiful and Treehouse Schoolhouse.
- **Science, History & Art:** Hands-on, inquiry-based learning that encourages exploration and discovery at each child's pace.
